

HORRORSCOPES

Western Star Signs

Aung Hein Htet

As Scorpio season approaches, power energy influxes. Here is some advice for the zodiac signs to help you navigate through this dark, transformative season.

Aries

(March 21 - April 19)

The more daunting path may be the most rewarding. Your drive to achieve your goals can be so powerful that you run roughshod over the wrong toes.

Taurus

(April 20 - May 20)

Staying active may not be high on your priority list, but try to get it into the top ten. A journey may help you gain a new perspective.

Gemini

(May 21 - June 20)

This is a time to dig into details or make progress with research. Delve into holistic approaches - healing mind, body, and soul.

Cancer

(June 21 - July 22)

You may be feeling a bit more competitive; try setting new goals in fitness and spend some time reviewing your health needs.

Leo

(July 23 - August 22)

A period of trouble-shooting and potential change. Your life takes a creative turn, so allow your wildest ideas to flourish.

Virgo

(August 23 - September 22)

Trust your abilities and work with confidence. Your genius shines through and after a long period of constant interruptions from the previous months, you're finally back on track.

Libra

(September 23 - October 22)

Fantasy is the beginning; find yourself indulging in activities that fill your senses, who knows you might even find it satisfying.

Scorpio

(October 23 - November 21)

You are the one with the answers to perplexing questions. Get rid of useless stuff, negative attitudes, and unnecessary burdens. Finishing has never felt this good!

you're clearing a path for manifestation. Doing some background work or research may help you uncover something unusual.

shining brightly. Don't overextend or push your limits though; avoid burnout, and pace yourself.

Capricorn

(December 22 - January 19)

You're in good graces with others if your integrity is

Aquarius

(January 20 - February 18)

You may prefer to

withdraw and retreat when you can, but this is the time to finish what you've started; investigate what you need to know, and bring issues to the open.

Pisces

(February 19 - March 20)

Some of the issues that were difficult in the spring may seem more manageable now. Determine your priorities and avoid last-minute backing out.

Sagittarius

(November 22 - December 21)

A period of preparation,

Chinese Zodiac Signs

Aung Hein Htet

For the October edition, we have added a new segment to our horoscopes section, and it is the Chinese zodiac predictions! Unlike Western astrology, the Chinese zodiac signs are represented by 12 animals and are based upon the year you were born in instead of the month.

Rat

(1960, 1972, 1984, 1996)

Reach out to someone who would listen to your issues and give you good advice.

Ox

(1961, 1973, 1985, 1997)

Remain positive and keep up the momentum you've built thus far.

Tiger

(1962, 1974, 1986, 1998)

Terminate the act of constantly relying on others; you are your own solution.

Rabbit

(1963, 1975, 1987, 1999)

New environment and people could have made you forget some important things. Sit down, meditate and ask yourself what your motives were.

Dragon

(1964, 1976, 1988, 2000)

Despite failing 99 times, have faith and try for the 100th time. Keep in mind that sowing and harvesting are not meant to be in the same season.

Snake

(1965, 1977, 1989, 2001)

Clear communication in any relationship should be your top priority. Remember, don't hiss.

Horse

(1966, 1978, 1990, 2002)

Your personal finance could be at risk this month; keep a good record of your cash flow.

Goat

(1967, 1979, 1991, 2003)

If you're doing something for the sake of doing it, you won't accomplish anything. If you're doing it for your passion, you shall succeed.

Monkey

(1968, 1980, 1992, 2004)

Hold your horses. It is not

advised for you this month to leap without detailed planning.

Rooster

(1969, 1981, 1993, 2005)

This month, you will feel exceptionally focused and productive. Use this time wisely to set and accomplish your goals.

Dog

(1970, 1982, 1994, 2006)

Surround yourself with nature. Go for a walk in the woods, near the lake or by the beach. Who knows what you would discover at the West Sands?

Pig

(1971, 1983, 1995, 2007)

You may find yourself trying hard to adapt to the new social circle; don't overwork yourself. Be somewhere you're most comfortable at.
